

STACEY AND MASON CONVEYANCING CHARGES FOR THE PURCHASE OF A PROPERTY

Our total charges are split into 2 parts – money that we charge for work that we do (**our fees**) and money that we spend on your behalf which lawyers call **disbursements** and are expenses related to your matter that are payable to third parties, such as search fees. We handle the payment of the disbursements on your behalf to ensure a smoother process.

Our charges cover all of the work required to complete the purchase of your new home, including dealing with registration at the Land Registry and dealing with the payment of Stamp Duty Land Tax (Stamp Duty) if the property is in England, or Land Transaction Tax (Land Tax) if the property you wish to buy is in Wales. VAT is chargeable on our fees for the work that we do and, as result of a recent HMRC decision, some money that we spend on your behalf for information or reports on which we advise you, which had historically been described as a disbursement.

How long will my purchase take?

How long it will take from your offer being accepted until you can move in to your house will depend on a number of factors. The average process takes between 8 and 12 weeks.

It can be quicker or slower, depending on the parties in the chain. However, if you are buying a leasehold property that requires an extension of the lease, this can take significantly longer, between 3 and 5 months. In such, a situation additional charges would apply. We will let you know what these will be when that situation occurs.

Disbursements relevant to freehold or leasehold purchases
